PlayAway digital audio books are available to registered Talking Book patrons in Illinois. They are portable, self-contained, self-playing digital books. The PlayAways are mailed to patrons in a green cassette container along with large print instructions, earbuds, and spare batteries. Instructions are also available in Braille upon request. Loan period for PlayAways is two weeks. Although, we have more than one copy of some titles, there may be a waiting list for popular titles. More information about PlayAway books can be found on the web at www.playawaydigital.com.

NOTE: PlayAways manufactured after June 2007 have been redesigned. Those PlayAway titles are marked with an asterisk *. In some cases, the collection contains a title that is available in **both** versions. Those titles are listed with a double asterisk **.
